7. The previous case was dismissed by the Court because I was delinquent in my payments to the Chapter 13 Trustee. In September 2019 I lost my employment contract and had no income until January 2020. Once I regained employment, I was unable to catch up on the past due Plan payments. I now have stable income from employment with Mpire Technology Group and intend to initiate a wage order in my current case.

8. I have listed all of my assets and all of my debts and have fully and accurately disclosed all of my income and expenses in the Schedules in this case.

9. I will propose the following treatment of my creditors in my Chapter 13 Plan: Payment through the Trustee to unsecured creditors a dividend of approximately eleven percent (11%).

10. I am anticipating to propose to pay the Trustee all projected disposable income, \$50.00 per month for a period of one (1) month, and \$460.00 for a period of thirty-five (35) months.

11. After the dismissal of my previous case, I acted as fast as I reasonably could to retain a bankruptcy attorney to file this case for me because I want to use the bankruptcy system to resolve my debts.

12. My debts arose as a result of ordinary living expenses. The debt I have has accumulated over several years and is not the result of any purchases of luxury goods or services.

13. I have also not incurred any unsecured debt due to revolving credit accounts or pay day loans within the 90 days prior to filing the instant case.

14. I desire to use the bankruptcy system to obtain a fresh start and have not been attempting to evade my responsibilities or delay my creditors' attempts to collect.

15. My income is consistent and likely to remain so during this case. My household expenses are not likely to change substantially. I believe I will be able to make my payments to the Trustee and meet my other obligations as they come due throughout this case.

WITNESS the following signature and seal on May 29, 2020.
